

## Step 7

Arrive in Romania, start your academic journey & take care of formalities

Under 90 days, you must report to the immigration services for the registration to obtain the residence card.

In order to obtain the residence card, a file must be prepared and consists of:

- 1) Application / Travel documents/ photos / entry visa in Romania (for those who need it)
- 2) The letter issued by the university and to the Director of the Immigration Police
- 3) The rental agreement / lease (covering the entire period of the current year of study) / notaries declaration (the case of residence in a host family)
- 4) Financial guarantees for one year: bank statement (minimum 2,000 Euros) or equivalent.
- 5) Medical certificate
- 6) Insurance Payment Proof (for students aged 26 and over)
- 7) Proof of payment of the residence card tax

## ADMISSION

Procedure for non-EU/EEA/CH students

### Step 1

Choose your study program and university by using the searching engine directly on the [www.studyinromania.gov.ro](http://www.studyinromania.gov.ro)

### Step 2

Scan your documents:

- Passport
- Birth certificate
- High School Diploma / Certificate
- Transcript of records
- Medical certificate
- English certificate - if needed
- Document showing home address

### Step 3

Contact the university of choice and apply for your desired study program

The university will ask for your documents. Some universities will provide you with the possibility to register online, but others will ask for the documents in hard copy.  
Send / upload the required documents.  
Pay the application fee - if needed.

### Step 4

Wait for feedback and/or the Acceptance Letter

The university will review your documents and will facilitate the recognition process for your prior degrees.

Some universities will require an online or face-to-face interview or even passing an examination to be admitted (check the details for the specific program you are interested in).

Each university will submit the application file for admission to studies in Romania to the Ministry of Education (the minimum period of processing the application is 30 days, up to 60 days). If a positive decision is reached by the Ministry, a "Letter of Acceptance" is issued and sent to the university and by case at the diplomatic mission.

Should the institution you've applied for, cannot honor your request, the Ministry of Education can suggest another university according to your profile, preferences and availabilities at the moment.

### Step 5

Pay the tuition fee

### Step 6

Apply for the student visa

## 7 REASONS

To choose Romania as a study destination

1. You have a solid university degree recognized all around Europe and beyond. Romanian Higher Education is known for its rich academic heritage.

2. World's fastest Internet – Ranked in top 10 in the world, Romania has ultra-fast Internet connectivity.

3. Study in English, French, German, Romanian or Hungarian. Romania has a wide choice of university programs.

4. Low tuition fees and living expenses – While maintaining our academic standards, we have some of the lowest tuition and living costs in the European Union.

5. Cultural life – Bucharest offers more than 40 museums and Romania has the second-largest outdoor museum in the world, Astra Museum in Sibiu.

6. Work opportunities and quality of life – There are a number of possibilities to work as a student: you can apply directly to vacant positions published online.

7. A great place to travel – The home of seven UNESCO world heritage sites, Romania is a country of many facets.
